Spain is a country with centuries of history where we can visit ancient monuments, great museums, walk through its most traditional neighborhoods or enjoy its varied gastronomy.

✓ **Activities.**

Discovering the city by bike, taking a boat ride, riding horses, or practicing one of its many athletic activities are more choices within reach of our students.

✓ **Workshops.**

Students take part first hand in Flamenco dance and music classes as well cooking classes and tastings.

✓ **Field Trips.**

Students may take group trips to visit nearby cities and discover a bit more of Spain's culture, architecture, and traditions.
